

**WW-P Education Foundation's
2nd Annual
Innovation Fair
May 19, 2017
WW-P High School North**

Start planning your project, composition, or presentation now!

The Innovation Fair will showcase the amazing ingenuity and creativity of our students, and will feature an exciting mix of exhibits, demonstrations and activities for the entire community to enjoy.

- We invite students to share their talents in areas of science, technology, engineering, the arts and math (STEAM), robotics, makers or any other area where a student has a creative project or talent to exhibit or demonstrate.
- Students may present:
 - STEM projects in the form of an exhibit or presentation.
 - Robotics and Maker projects
 - Original musical compositions, choreographed dances, fashion designs, literature and poetry compositions, etc.
- Participation in the Fair is open to all students in grades K-12. Teachers are also encouraged to participate with their students.

Student and teacher participant registration will open January 2, 2018.

More information will be coming soon.

Please email innovationfair@wwpeducationfoundation.org with any questions.
