

Honor a Teacher or Staff Member with a

STAR 

Give a STAR to honor your child's teacher, guidance counselor, principal or other staff person who makes a difference in your child's life

Your donation helps fund our many grants which enrich your child's education. In the past two years, we've funded equipment for the new engineering program at both high schools, development of a fundraising enterprise, high school physical education program heart rate monitors, littleBits to foster creativity for makerspace, literacy programs and more.

Without your support, our students cannot benefit from these programs!
