

December 2017

Our Mission: To enhance the knowledge, skills, and competitiveness of our students by supporting strategic educational programs provided through the West Windsor-Plainsboro Regional School District.

**WW-P Education Foundation's
2nd Annual
Innovation Fair
May 19, 2018
WW-P High School North**

Inviting Student Participants!

Any student interested in science, technology, engineering, the arts or math (STEAM) is invited to present a creative project, speech or talent to exhibit at our next annual Innovation Fair!

Participation is open to students in K-12. Teachers are also welcome to participate with students.

Registration will open January 2, 2018. If you have any questions, please email innovationfair@wwpeducationfoundation.org.

Fall Grants

The WW-PEF is in the process of approving teacher grant applications that will enhance student's classroom learning experiences. Stay tuned for this in our next newsletter!

Volunteer Opportunities

WW-PEF is looking for volunteers to assist with the Youth Committee, publicity, fundraising and planning events such as the Innovation Fair. For more information about WW-PEF volunteer opportunities, please contact info@wwpeducationfoundation.org

Fall Successes

- **S.T.A.R. Program** – Students honored teachers, coaches, aides, and other stellar staff members by making a donation to the WWP-EF in their name. Honorees will receive a beautiful S.T.A.R. Certificate with their name to thank them for their hard work. All proceeds support the innovative programs we fund in our schools.
- **Open House** – In October, WW-PEF had an Open House event at High School South to share more about the Foundation's goals and projects planned for the future. Thanks to everyone who came out to support and welcome our new volunteers!
- **Thanksgiving Craft Event** – The Youth Committee planned and executed a free Thanksgiving craft event for district students. Included was a bake sale, food drive, face painting and pumpkin decorating, along with many other crafts.
