

## Education Foundation

### Who We Are

The Foundation is a community volunteer group comprised of adults and students that supports excellence in all WW-P schools through the funding of teacher grants, innovative programs and strategic initiatives.

### How We Make a Difference

Since 1995, we have awarded over \$475,000 for unique programs across the curriculum and at every grade level. These successful programs include experiential learning, in-classroom learning tools and interactive projects.

#### Programs

- Excellence in Education grants
  - Science, Technology, Engineering and Math (STEM) grants that provide hands-on experiences in and out of the classroom
  - Art grants that encourage artistic and creative talents
  - Literacy grants that have significantly raised language, reading, and writing skills, including those for at-risk readers
- Special Programs
  - Grants to the WW-P Regional School district that fund grade or district wide programs such as STEM Supply Stations, Line Spectra for the Identification of Elements, Inclusive Leveled Reading library, Authentic Input to Support Instruction for Spanish language

#### Youth Committee

- A dynamic group of middle and high school volunteer students who learn valuable skills in leadership, project management and teamwork
- Contribute to the mission of the foundation as an integral part of the annual fundraising goals

### How We Are Funded

The WW-PEducation Foundation is a 501(c)(3) nonprofit organization that is 100% funded by private individual and business tax deductible donations, corporate grants, the annual Innovation Fair and the STAR/HEART teacher recognition program.

### *Making a Difference in Today's Classroom*

### Our Mission

The West Windsor-Plainsboro Education Foundation supports excellence in the WW-P Regional Schools through the funding of grants for teachers, innovative programs, and strategic initiatives. Our mission is to enhance the knowledge, skills, and competitiveness of our students by supporting strategic educational programs provided through the West Windsor-Plainsboro Regional School District.

# INNOVATION FAIR 2022

## Partner with the West Windsor-Plainsboro Education Foundation and Champion Excellence in Education

The West Windsor-Plainsboro Education Foundation (WW-PEF) Innovation Fair is a showcase of the incredible talents of our diverse student population in the areas of Science, Technology, Engineering, the Arts and Math (STEAM). Businesses and organizations seeking to support Excellence in Education are invited to partner with the WW-PEF as we endeavor to make a difference in the future of our students.

### About the Innovation Fair

- This event will be held virtually on June 4th, 2022
- The event is being organized by the WW-PEF, including the WW-P EF's Youth Committee, and community volunteers in collaboration with the WW-P Regional School District
- Innovation will be demonstrated in a variety of areas including Science, Technology, Engineering, Math, Music and the Arts
- Small businesses and community organizations will be participating as Community Partners
- The Innovation Fair is an annual community event in support of the WW-PEF

Proceeds from the event will go directly to the West Windsor-Plainsboro Education Foundation which strives to promote excellence in our school district through funding of grants, innovative programs and strategic initiatives.
